

I hope that you all had an extra long weekend with your children. The weather was certainly beautiful and enabled lots of outside time.

Pohutukawa and Rooms 7 & 8 visited the Chartwell Library last Thursday. This visit was linked to learning about our local Community. The Librarians did a great job engaging the children and helping them to further learn about books and the magic they bring. Thanks to the parents who went with the children. I am sure you enjoyed the puppets as much as the children did.

Last week the Teina Team, Rooms 9 – 12 visited Chartwell Park. They had an amazing time exploring our local community. This trip was originally cancelled as they did not have enough parent helpers to meet the health & safety ratios.

When the council heard of the problem they provided enough adult supervisors to make the trip an outstanding success. We are ever grateful for this generous involvement from a community group. The adults enjoyed themselves and have commented on the positive behaviours and manners that the children displayed.

Sports Notices

Miniball
Wednesday 4 April
Tigers 4.50pm YMCA 2

Friday 6th April
Wolves 5.30pm YMCA

Touch
Completed for Term 1

Inline
Wednesday 4th April
Blades 6.46pm
