

What an awesome turnout at the Community Picnic last week. Lots of fun was had playing games on the field. A favourite was the slingshot with small water balloons. It was amazing how far the balloons flew across the field before landing (and exploding)! Enjoy the photos on the next page.

Head Lice

It is that time of the year when little visitors appear. Please get into the habit of checking your children's hair on a very regular basis. Wet combing with conditioner is a good way of managing the outbreak. We have a supply of headlice product that you can get from the office.

Parking Reminders

For the safety of our children, can you be very mindful of where you park. On yellow lines, on grass verges, across driveways, in driveways, in the bus stop and in staff car parks are not good options. There is often parking available further down Bankwood Road, which will combine an exercise regime with the school pick up. Thanks for helping us to keep our children safe.

Scooters & Bikes

Quite a number of children are riding bikes or scooters to school. We do have a parking area around by the staffroom for children to leave their scooters and bikes. Unfortunately we have had some go missing from this area. A good idea is for the children to have a lock for their bike and have the scooters identified in some way. Scooters can look very similar and children often get confused about which one is theirs.
