

Dear Parents, Whanau and Caregivers

Kia Ora Koutou.

17 June 2020

Now that everyone is settling back into Level 1, most children are back at school and loving it. Thank you for the support and encouragement you give your children. We enjoy seeing the growth of independence children are showing when they walk into school by themselves. The end of the day is working peacefully and once again it is you who are supporting this when you wait behind the white lines until the 3pm bell.

"Talking About Learning" Meetings - Tuesday 28th July and Wednesday 29th July

These meetings are held to give you and your child the opportunity to meet with the class teacher and talk about learning. This year, because of Lock Down and Distance Learning, you will have a different understanding of teaching and learning. We encourage you to bring your child with you as it is important that they share with you what they can do (tickled pink) and what they need to learn (green for growth). Teachers will talk with you about how you can help at home. We find this experience very valuable for all of you. The meetings will be held on Tuesday 28th July, 3.15 - 5.30pm and Wednesday 29th July, 3.15 - 7.45pm. We will use an online booking system. Details on how to access this will be provided before the end of the term.

Personal Property and Clothing

Can I please remind you to name

- shoes
- jackets
- scooters
- bikes etc

It is very hard to identify belongings when they are unnamed. Bringing personal, expensive jewellery and toys to school is not recommended.

Safety After Hours

We have been told that children are in the school grounds after hours. When the gates are locked it means climbing over fences which could result in injury. Can you please keep an eye on what your children are up to after school.

Alert Level 1 Reminders

- The gates will be unlocked at 8.15am
- There will be no full assemblies until Term 3
- If students are sick they should stay at home
- Students who are at school and become sick will be sent home immediately
- Regularly wash and dry hands
- Sneeze and cough into elbows
- Parents wave goodbye at the gates in the morning
- Parents wait just inside the gates at the end of the day
