NZEI PAID UNION MEETING

As mentioned in a previous newsletter, the NZEI *Kua tae te wa - It's time* campaign is focusing on issues in education that are impacting on our children.

The campaign aims to free teachers to teach, and principals to lead, by getting the additional support and staff that schools need. On **Monday 25 June**, Waikato teachers will be attending a paid union meeting, starting at 1.30pm. Our teachers are members of NZEI so are legally entitled to attend. To enable teachers to attend, normal classes will finish at 1pm.

I understand that this will create some inconvenience for you but know, that if you are able, you will support us to help achieve the changes needed to safeguard quality education for all children.

Please return the slip below to the office by Thursday 21 June

Stories from Room 6 - Year 2's

Tristan T

The sun dries the trees and puddles. Then we get rain.

Carlie-Jean

The Sun is a ball of fire. If you touch the sun you will turn into ashes and die in one second. Without water nearly everybody will die except the cockroach. The Sun dries out leaves and it dries out puddles.

Lahkaii

The Sun is a big ball of fire and dries up the rain. Rain comes from the clouds.

Asiya

Me and my sister were sliding on the snow and we were laughing. We were having fun. Then we had to go inside and we played.

Aiden

I played with my brother in the snow.

Farida

I went to the snow. I love to play in the snow. It's fun to play and we made a snowman in the water. It's my idea to make a snowman. My mum and dad stay home because they don't want to come to the snow. They don't want to come out of the house.

Eden

I was throwing snow at my sister and I was stuck in the snow. Then my sister hurt me in the snow. We went to a café because my Nan was cold. But I put my hands on my Milo and then my hands were warm. We had fun.

Naomi

The three bunnies are so cute and fluffy. Their ears are floppy. I love bunnies so, so much that they are my favourite in the whole world. My mum loves bunnies too.

Tristan M

I was holding a bunny.

Ellise Rose

Eden and Vic showed us their bunnies. They were so, so, so cute and pretty. By the way the bunnies were poing and running all over the room. I don't know what they were doing to the room.

Regards- Kay Cleaver, Principal
