Room 8 Writers!

Hope you enjoy this variety of written pieces
from our room !

In the holidays me and half of my family went to the Luge in Rotorua for the first time. I rode the Luge cart and I went down the scenic track. After the scenic track I really wanted to go on the next hard track!

Eion

I am pretty proud of myself because I got a trophy and a medal too. My Mum was so proud of me too. I never lost a game of rugby.

Ava

The Daffodil

She was dancing like a ballerina and when I went in my garden I saw one dancing too.

Daz

A fawn has spots on it's back to keep it safe. This is called camouflage.

Baneawa

I went to hospital and I played with the toys. The doctor told me to be brave for the injection.

Israel

The Cross-Country Race

I came sixth in the race. My favourite bit was the parachute.

Legiont

The daffodils like the sun and they were dancing.

Trey

The Daffodil

She was dancing like a butterfly and she was so pretty. Her petals were glowing in the sun. "Yay, yay, yay. It is a sunny day."

McKenna

She was a beautiful daffodil. She was dancing and she was very colourful. It makes us happy.

Nasteha

I got a bird and I like him.

His name is Josh.

Killuminati

The Cross-Country Race

I liked the hurdles. I went with the girls.

Dear Parents, Whanau and Caregivers
Kia Ora Koutou.

23 October 2019

The Ministry of Education requires all NZ principals to have their performance monitored to ensure that we do our best. The board contracts an independent consultant to undertake this process. Part of this process requires parent voice about my practices. Some of you may receive an emailed survey from Spencer Baty (the consultant). I would appreciate you taking the time to complete this as your comments will help me to 'be the best' I can be. Thank you in advance.

Suitable Clothing

As we are having pockets of sunshine, girls are already coming to school in very strappy tops. I understand that these are often favourites, however they are not sun safe. Large areas of shoulders and necks are exposed and can end up sunburnt. For the older girls, please check that they are not exposing too much chest as this can cause embarrassment. Thanks for your understanding.

Before and Afterschool Parking

We have had several complaints from people living close to our school. When parents park on yellow lines, in the bus stops and across driveways it restricts access. We have told neighbours to call the council and the police. Can you PLEASE be considerate of others and park in the right place even if it means walking. What is happening at the school gate is a HUGE safety issue.
