

Covid Alert Level 2 Guidelines:

- Gates do not open until 8.30am
- Children must bring their own drink bottle
- Hand sanister is used as children arrive at school
- We encourage to parents wave goodbye at the gate
- If needed, one parent from the Potiki classrooms may take their child to class
- If you enter the grounds you must complete 'Contact tracing' details
- At the end of the day gates will be opened from 2.45pm
- If needed, one parent from the Potiki classrooms can go and collect their child
- Other parents please wait just inside the gate for the children to come out

Contact details reminder

If you have a change in phone number or address can you please let the office know. It is important that we have a minimum of 2 phone numbers (but 3 is better). This means we are then able to reach someone if your child is sick, absent and sometimes not picked up after school. This is extremely important when we are in Covid Level 2.

A Reminder about Taking Photos at School

If you take photos of your children with other children around them while on school grounds, please ensure that you do not place these photos on social media sites without the permission of the other children's parents.
