

**Dear Parents, Whanau and Caregivers**  
**Kia Ora Koutou.**

9 September 2020

We are extremely lucky to have wide open spaces for the children to play in at breaks. Because of the large area, we have four or five teachers and two or three teacher aides on duty each break. The teachers wear yellow vests so that children can easily see them if they need help. WEL Networks donated some small high vis vest for use if we went out of the school with the new entrants. Today, creative thinking by our junior children meant we had three more 'duty people'. Enjoy the photo. Thank you WEL for providing props for creative play.

Yesterday, three Project Energisers spent time in each class exploring what is best to drink. Your child should have brought home a large fridge magnet entitled **WATER AND MILK ARE BEST**.

Tomorrow, Year 6 children who intend to enrol at Fairfield Intermediate next year are having an Orientation visit. They get a taste of what it will be like at Intermediate and are usually extremely excited on their return.

## Book Club

**Book club orders close on  
Thursday (10 September)**

The Year 5 and 6 sports tournament that was to be held on 15 September has been cancelled.

**Regards, Kay Cleaver, Principal.**

# Pohutukawa Learners

*Being the Best We Can Be*

*Responsible*

*Caring*

Being the CREATIVE  
KIND - Designing  
original patterns

Making new friends

Balancing, turning,  
jumping and exploring  
during gymnastics

Being RESPECTFUL -  
Two friends rowing  
their boat together  
creative play

Being the LEARNING  
KIND - Writing and  
sharing our stories

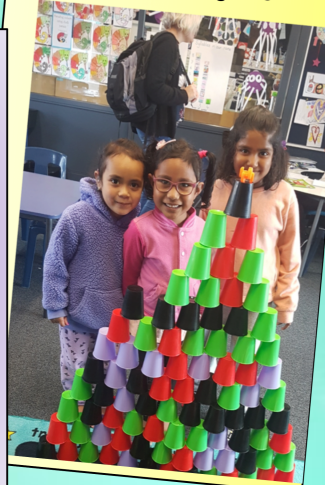

Being  
RESPONSIBLE  
learners

*Engaged*

*Determined*

Working together to  
achieve our goals

Spinning and taking  
risks during Gymnastics

Learning about  
shapes - showing  
perseverance

Encouraging our friends  
and taking turns
