

Thank you to those of you who have booked a time to come and tell the teacher about your child. This will be a very valuable experience as the more we know about each individual child the better able we are to meet their individual needs.

Lost Property

Please check that your child comes home with all their belongings as we very quickly end up with a mountain of lost property. If you are looking for lost clothing then check first in your child's classroom and then check in the cloakbay outside Room 9. Unclaimed belongings will be placed there, either in bins or hung on the pegs.

Positive Behaviour for Learning (PB4L)

The way we do things around here at Bankwood School

- Staff build positive relationships with our children as
- relationships have a major influence on their learning
- We encourage children to interact positively with their peers and teachers
- We are consistent with our expectations in our classes and in the playground
- Each block is a fresh start for all

Regards, Kay Cleaver, Principal.
