We have had another great week. Children are enjoying the sunshine. The pool is very popular with all classes and we acknowledge Aretopa for ensuring that it is ready for use each day.

Contacting Parents

It is extremely important that we are always able to contact parents/caregivers

- Sometimes details are not correct
- Sometimes phones are not answered

When a child is very unwell or had an accident, we need to contact parents immediately. When contact details are incorrect or phones are not answered, we may need to access medical care without parent knowledge/consent.

Please make sure that the office has up to date contact details for at least 3 people.

Communicating With Us

It is important to us that you ask questions, share concerns or celebrate success. Pop into the office at anytime and ask to see Kay (principal), Toni (Deputuy Principal), Jimmy or Deb (Assistant Prinicpals). One of us will be avaliable to chat.

If you want to specifically chat to the class teacher you can contact them via class do jo or text (Phone numbers on enclosed purple sheet)

Teachers are in classrooms between 8.30 and 9am and outside rooms after 3pm, if you want a quick word. Please do not go into classrooms between 9am and 3pm as this distracts children from learning.

The Lunch Scheme is going well. Some days there are leftovers that are stared in the hall kitchen fridge and will be available to parents/caregivers from 2.50pm. Please go to the hall if interested.

Children are reading respectfully, lining up respectfully, playing respectfully with the loose parts.

Here are some words that the children have said:

Respect is helping each other

Respect is asking are you feeling ok and should we be friends?"

Respect is letting others speak and not talking over the top of people Respect is sitting near people who let us get on with our work Respect is cleaning up where you have been working

Respect is lining up nicely Respect is sharing

Respect is using the rubbish bin & picking up rubbish that may be lying

around

FUN IN THE POOL
