

Talking About Learning Meetings -27th and 28th July (Week 1 Term 3)

These meetings give you and your child the opportunity to meet with the class teacher and talk about learning. We encourage you to bring your child with you as it is important that they share with you what they can do (tickled pink) and what they need to learn (green for growth). Teachers will talk with you about how you can help at home. We find these meetings very useful for all of us.

Book online from the 30 June by following these steps:

- Go to www.parentinterviews.co.nz
- Click "Book My Interviews"
- Enter the code B7GAW2AQ
- Click "Start My Booking"
- Enter first name, last name, email address and mobile number
- Enter the number of students you are wanting to book for
- Enter students first and last name
- Click "Get started"
- Click on the box next to your child's teacher
- Click "Choose Times"
- The drop down at the top has an option for Tuesday or Wednesday
- Select the day you want and click on "Book" at the time that you would like
- Click "Confirm Interview"
- If you need to cancel or change your interview time click on "Already Booked" once you have entered B7GAW2AQ

It will show you the booked interviews and give you the option to delete or change.

If you have any trouble please come into the school office and we will help you.

During breaks we have teachers and teacher aides out in the playground encouraging positive play. To make the adults more visible we have purchased bright pink vests. This means the children can easily spot them if they need help.

What's On This Term

Wednesday	7 July	Assembly
Friday	9 July	Term 2 Ends

Regards, Kay Cleaver, Principal.

WHAT HAS ROOM 13 BEEN DOING?

Room 13 celebrated Samoan language week. We made tapa cloths and learnt the meaning behind the designs. We used dye and pastel to create the woven affect.

Did you know that when chickens are born the Mother does not help them?

We have been learning some fun facts about chickens! We also created some awesome artwork using a fork and paint.

Check out some of our awesome science experiments. We saw some wicked explosions and cooked yummy bread.
