

It has been wonderful having children back at school. There have been lots of happy faces and once again I am impressed with the way they settle into learning routines. Your children make us proud with their resiliency, their positive attitudes back and their enjoyment of learning.

Thank you so much for working with us to keep all children safe. Waving at the gate and waiting behind the pink line at the end of the day helps us to limit the number of adults on site each day.

Under the health and safety guidelines all of the usual end of year events are not able to be held in the normal way as we cannot hold school assemblies or have lots of adults onsite. We are still exploring how we acknowledge the Year 6 leavers.

Reports

Reports will be sent home on Friday 10th December. Please check your child's/ children's school bags. Reports may look a little different to previous years. This is due to the time that children have spent distance learning this year.

Enjoy reading about what your child can do. You should feel very proud of your children and the way they have coped in a crazy world.

Regards, Kay Cleaver, Principal.

Dates to Remember

Friday 30 September - School ends

Term 4:

Monday 17 July - School starts
Monday 21 October - Labour Day (no school)
Friday 16 December - Term 4 ends

Dressing for the Sun

Children need to be wearing light clothing as the days are getting hot. Classrooms are well ventilated as required by the Health Department, however some children are still overheating as they are wearing heavy sweatshirts. Please check that your child has a t-shirt underneath and talk to them about getting too hot. Remember - all children should have a sunhat.
